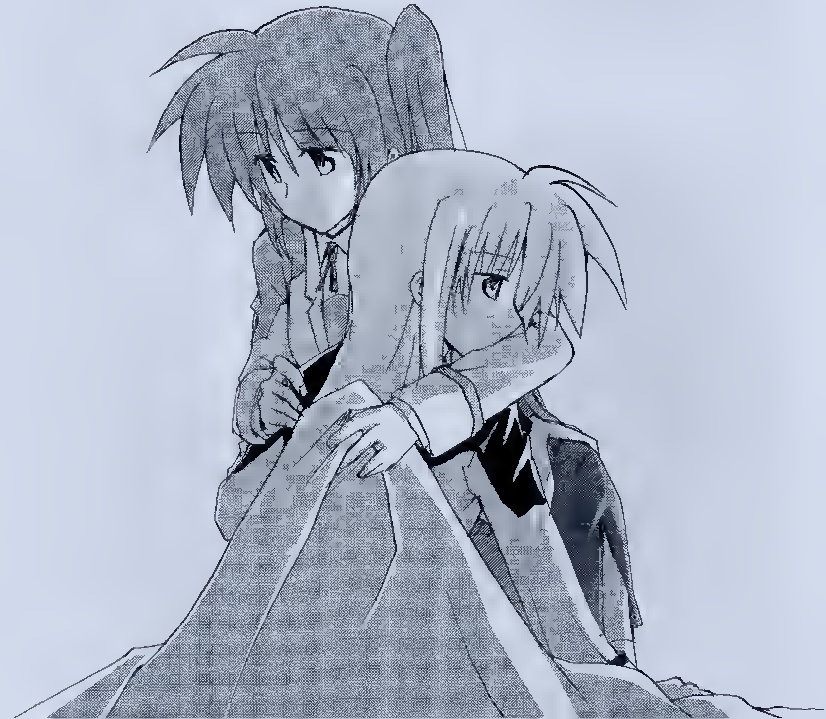
Pray



The moon is like Fate-chan-

Floating in the darkness every light's color,
Fate-chan's hair, Fate-chan's magic light, they are the same.
And in front of me,
Even if I stretch out my hand I'm still unable to grab a hold of it
Until that point I thought we will always be together
However- Now...
NANOHA.

Hug tightly
Fate-chan is here beside me.
WHAT WERE YOU DOING?

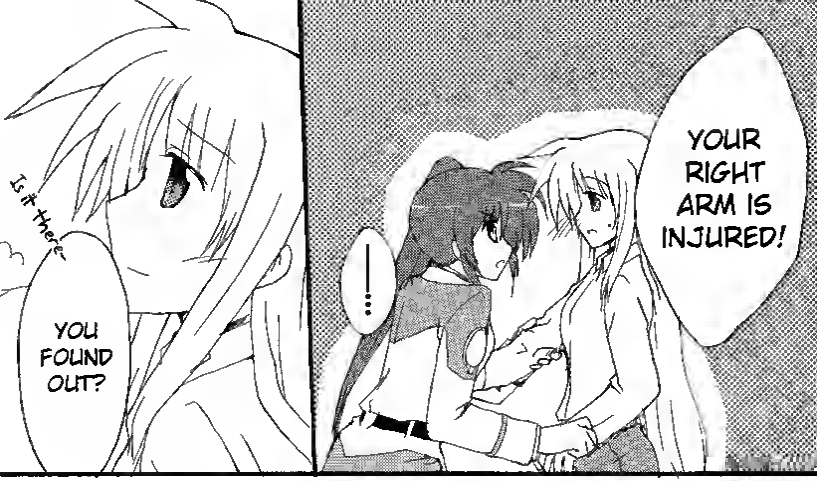
I WAS LOOKING FOR FATE-CHAN!
EH? WHAT?

Pray

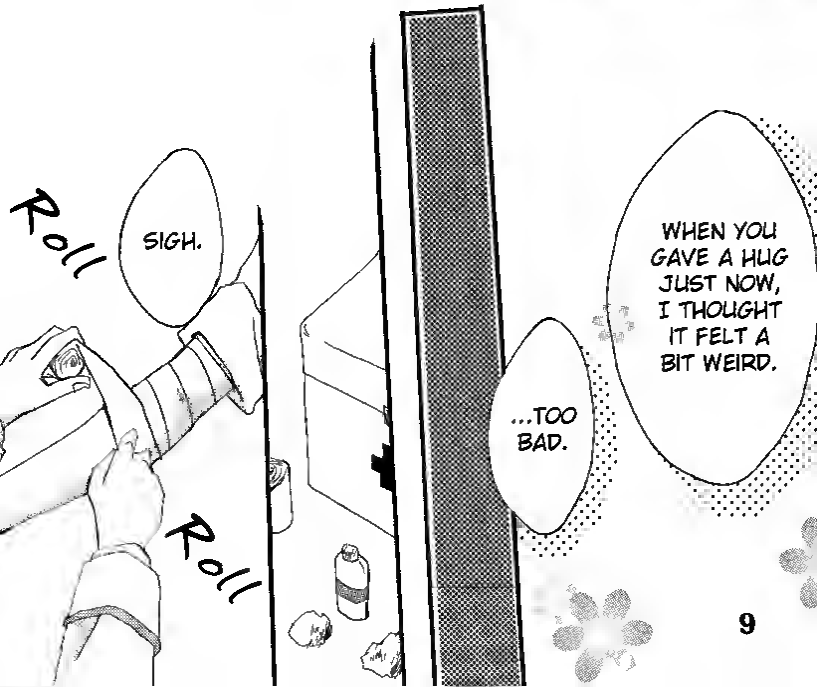
Psssshhhh
UNN~ TODAY'S WORK FINISHED!
Stretching
THANK YOU FOR YOUR HARD WORK.
WOULD YOU LIKE TO SHOWER FIRST?

UM, YEAH.
!...
BUT... BEFORE THAT
Stare
Pull
Fwip
EH?

WAIT!
Fall
Tug
WAI-
Grab
NANOHA.
AS I THOUGHT.
EH?



Is it there?
YOU FOUND OUT?
!...
YOUR RIGHT ARM IS INJURED!

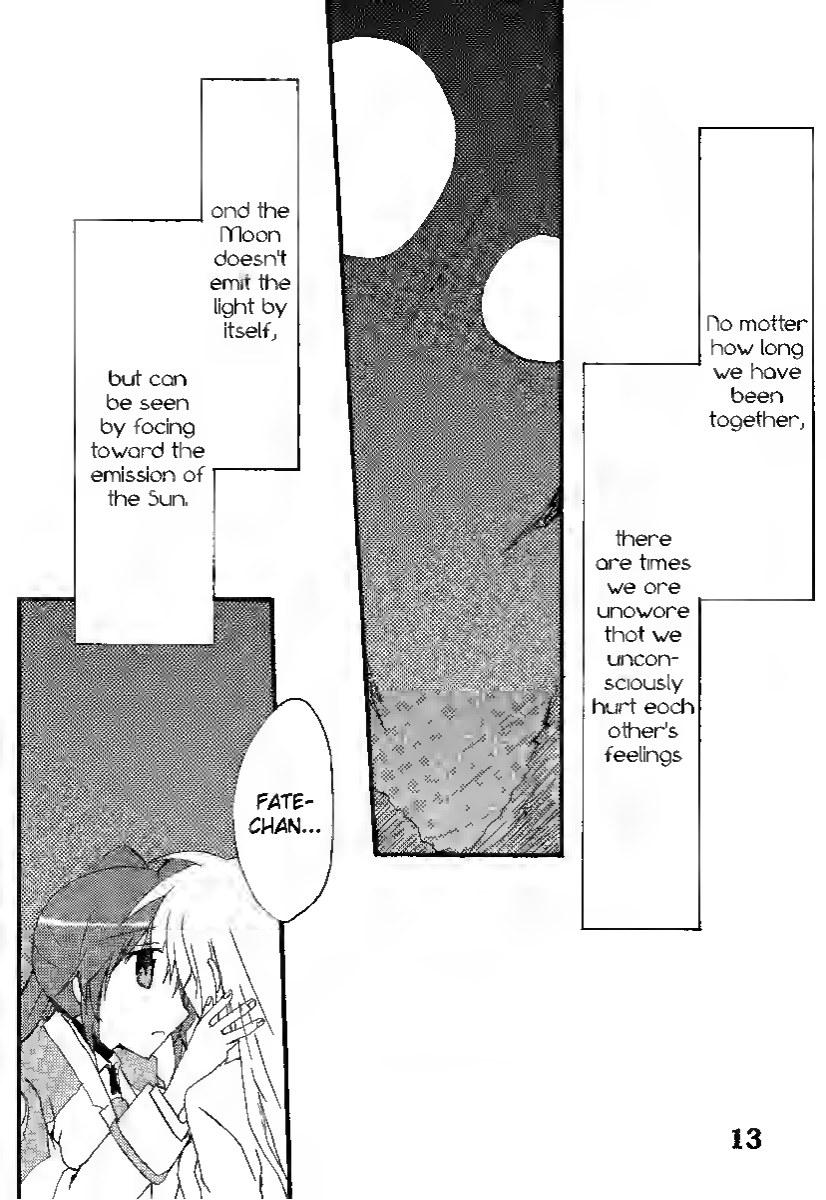


Roll
SIGH.
Roll
...TOO BAD.
WHEN YOU GAVE A HUG JUST NOW, I THOUGHT IT FELT A BIT WEIRD.

IT'S NOT THAT INCONVENIENT. I CAN STILL USE MY LEFT HAND.
Is it infected?
Nope.
HOW DID YOU KEEP UP THE WHOLE DAY TODAY? IT MUST HAVE BEEN INCONVENIENT NOT TO BE ABLE TO USE YOUR RIGHT HAND.
If I were more careful, it would be better
WHY?
I DID SOME SPECIAL TRAINING TO BE ABLE TO WRITE WITH MY LEFT HAND BEFORE.
...IT'S OKAY.
BUT IT'S NOT YOUR DOMINANT HAND, RIGHT?

IN THE PAST
Thanks.
MOTHER... RARELY USED HER RIGHT HAND, DIDN'T SHE, SO I THOUGHT-
AND I PRACTICED.
!
THINKING OF IT NOW,
SINCE MY DOMINANT HAND IS DIFFERENT FROM ALICIA... WASN'T IT PAINFUL FOR HER...
BUT, TO BE ABLE TO USE MY LEFT HAND, IT'S USEFUL SOMEHOW, SO IT'S NOT ONLY A BAD THING-
FATE-CHAN.

Hug
I'M SORRY FOR MAKING YOU REMEMBER A PAINFUL THING.
Some-times
IT'S NOT NANOHA'S FAULT.
I realize-
12



No matter how long we have been together,
there are times we are unaware that we unconsciously hurt each other's feelings
and the Moon doesn't emit the light by itself,
but can be seen by facing toward the emission of the Sun.
FATE-CHAN...

There is rarely a complaint coming from Fate-chan...
STILL- I CAN'T FORGET IT. I STILL RECALL IT FROM TIME TO TIME.
-IT'S OKAY. I TOTALLY UNDER-STAND.
And only because of that
Sudden

I want to give her all and make her shine.
I LOVE YOU, FATE-CHAN.
I want her to keep smiling
Hold
NANOHA.
I won't miss ony sign from Fote-chon onymore.
I swore on the Moon.
